MEMBERSHIP REPORT

My Brothers,

As we bring this year to a close. I would like to thank Randy Beggs for letting me have the opportunity to be his membership chair. I would like to thank all you for working so hard on signing up members this year. With all the covid-19 stuff going on I have to say you guys have done one hell of a job. We should have top producer and the results of the drawings at the state convention. I hope to see lots of you there this year. It should be a good one.

I want to wish incoming president Roger Hyatt a good upcoming year and his Membership Chair. I will not report on membership in this letter because I want to keep the top producer a surprise.

So in closing please keep our fallen brothers and their families in our hearts and prayers, and I will see you down the Eagle trail.

MESSAGE FROM THE STATE WORTHY PRESIDENT

Greetings Brothers,

Unbelievable how fast a year can by. It has been an honor to serve as your State President. It has been an awesome journey since the day I was elected as Trustee. I have met a lot of great people and have also made some lifelong friends along the way, all of you have made an impact on me as well as on the world as Eagles. As we try and learn what the new normal will be in our future, we continue to adapt to how we conduct business, and go about our day to day lives. I don't think that we will ever go back to the way we were prior to March of 2020, but we all have learned a lot about how quickly we can come together and create a better and healthier life for all. Thank you for being People helping People.

It has been a busy 2 months for travel. I was in District 4 at Elk River on March 13 and District 6 down in Worthington and finished up the districts in Cloquet on May 1st. It is always a great time to get out and see how each club is a little different than the others. Thank you to all for your hospitality. I am looking forward to the Dakota's State convention in June and then wrapping up in Willmar for our convention.

I also had the opportunity to take in the Confidence Learning Center extravaganza in both Crookston and Bemidji. As always it is a great event and fund raiser for the campers. Crookston raised over \$16,000 this year. Bemidji was a huge success as well, numbers were not available when I left, they sold all of the raffle tickets which is a good sign, and I was lucky enough to win a prize at each place. Congrats to those committees that put those on because it takes a team effort for those events to happen and run as smooth as they seem to run.

It has been a tough year as far as membership. I want to thank each of you that signed up a member, and good luck to all of you in the drawing we will hold at the convention. There is still time to get your name in the drawing so go and sign up those members. Again, I want to thank you for the opportunity to serve.

Stay well, be safe.
