Front Row: Ellie Fee, Tina Haugen, Linda Connell, Diane Hinkemeyer, Carolyn Skogstad

We are now 3 months away until our next State Convention in Crookston! All communications can be found on our [state website](#) and will be updated as we receive any new or additional info.

We are excited to share some news from the FOE that will be making it's way to all soon.

- The first round of dues reminders will be calculated on March 17. It will take the Printing Company approximately a week to get all 600,000+ of them printed and in the mail to the Members. They ask that all payments you may have be posted by midnight (EDT) on Monday, March 16th so that Members will not receive a Dues Reminder. Naturally, there will be some overlap of receiving payments before the Member receives their Dues Reminder. Please just assure the Member that you have received their payment and it has been posted. Please do not call, or have the Member call the Grand Aerie Membership Department to verify if it was received and why it crossed in the mail.
- The **Grand Aerie & Auxiliary will introduce a hard dues receipt card** (credit-card style), replacing paper receipts after this year. The Grand Aerie will send the cards directly. All Aeries/Auxiliaries you belong to will be on one card, with a unique QR code on the back just for your membership. The card will also be used for entry into closed clubs. More details will be announced later.
- Dues payments and charity donations will soon be available to make online.
- New pamphlets will be available on the FOE Store:
 - Receivership
 - Secretaries
 - Grants
