Dear Sisters:

Here is the charity information for 2025 – 2026. Fill out your donations made this past year and return them to me by June 1st, 2026. Remember, it's not too late to hold a fundraiser for one or more of these deserving charities. You have 2 months left this year to make a big impact on these charities. If you need more room for the local charities you have donated to throughout the year, please include an additional sheet. You can also email me the list of all donations. If for some reason you lose the donation form or packet, it can be found on the state website under Communications.

Please follow the directions on WHERE to send checks to and WHOM to write the check out to for your donations. If procedure is not followed, I will return any checks for you to correct. If you have any questions, let me know!

Eagle Love,

Ellie Fee

Confidence Learning Center began in April of 1969 when Dick Endres (Camp founder), a small group of local businesspeople, and many individuals from the Brainerd State Hospital combined their energies to form Minnesota Therapeutic Camp, now known as Confidence Learning Center. From that day forward, Camp has grown incredibly both in numbers of campers and facilities. Located in the beautiful Brainerd Lakes Area of Minnesota, Confidence Learning Center (otherwise known as Camp Confidence) specializes in outdoor education and experiences for persons with developmental and cognitive disabilities— along with the deaf and hard of hearing communities.
